

11.2.2 Public access to libraries

1. In addition to faculty, staff, and students, MCUT Library is also open to the general public for reading and searching for books on computer. In an effort to expand the service scope

明志圖書館除了教職員工與學生之外，也開放給一般民眾使用圖書閱覽、檢索區電腦等服務

 明志科技大學 圖書資訊處 MING CHI UNIVERSITY OF TECHNOLOGY OFFICE OF LIBRARY AND INFORMATION SERVICES  About us Circulation Services Research Support Systems and Software Campus network Information Security Activity Information Facilities Form Download Home / Circulation Services / Library Catalog Search and Personal records Library Catalog Search and Personal records Introduction To achieve resource sharing with Chang Gung University Library, our library upgraded to the "Aleph" automation system in March 2019. During this upgrade, our library and Chang Gung University Library integrated their collection and reader information into a single server, hosted at Chang Gung University, with the domain name cgu.edu.tw. Library Catalog Search Target Audience: On-campus and off-campus users Website Link: [Click Here] Personal Loan Inquiry (Personal records) Target Audience: Current students, faculty and staff, alumni, retired faculty and staff, interlibrary cooperation Link: [Click Here] Login Information:

Interlibrary Loan Service

When you need a thesis, a research report or a book which is not in MCUT Library Collection, you may apply online for copying the document or borrowing the material from the other units via inter-library cooperation. You may also borrow the books directly in the cooperating library after you process an exchange library card in our MCUT library.

The exchange library cards are available for the following cooperating universities : National Taiwan University · Chang Gung University · Chang Gung University of Science and Technology · USTP · Ctle Lib ·

Nationwide Document Delivery Service (NDDS) :

1. Apply for Account: Readers must apply for an account with Nationwide Document Delivery Service (NDDS) before first time use, and can use the service after receiving an approval notification via e-mail from the librarian.
2. Please key in your account number and password to log into the system and click "submit" for applying to copy or borrow material in a domestic library or overseas library.

A. The payment is be different from each individual library; please refer to the detailed payment window that will pop up while confirming the application. You can also refer to the "Library Loan Price List" under the "Library Info" on the website.

B. Some units are not available for book loan service; please refer to the "Library Loan Price List" under the "Library Info" on the website. Overseas book loan service is not available
